IMPORTANT RULES

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2017-18 at the Fudan University School of Management.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program.
- During the mobility, students will be subject to the rules of the partner university.
- At the end of the program, if compliant with both LUISS and FUDAN academic requirements, students will obtain both the Chinese Master's degree (Suoshi) in International Business (issued by Fudan University School of Management) and the Master's Degree in Management or in Corporate Finance (issued by LUISS).
- Thesis:
 - Students will complete their theses during the second year at Rome with two supervisors: one from each university.
 - LUISS students will defend the Master thesis only at LUISS.
 - After graduating, LUISS students will be required to fill out several documents and have them signed by the thesis supervisor in order to obtain the Fudan degree.
 - Graduating students might be selected for a blind evaluation by an external Chinese professor.
- The academic activities recognized by the partner university will be transferred according to grade conversion tables set up individually by each partner and agreed upon by both LUISS and FUDAN and hereby reported.
