## Important Rules

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2019-20 at Gothenburg.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program.
- During the mobility, students will be subject to the rules of Gothenburg.
- At the end of the program, if compliant with both LUISS and Gothenburg academic requirements, students will obtain both the MSc in Innovation and Industrial Management (issued by Gothenburg) and the Laurea Magistrale in Management (issued by LUISS).
- Please consider that attendance is mandatory during the 1<sup>st</sup> and 2<sup>nd</sup> semester of the 2<sup>nd</sup> year at Gothenburg. Special requests from students who would like to have an internship experience will be evaluated by the master program coordinator of Innovation and Industrial Management at the University of Gothenburg who reserves the right to accept the student request analysing candidates' dossier, the timeline of the proposed internship and the possibility to match the internship experience with the thesis research work.
- Thesis:
  - Students will complete their theses during their mobility period at Gothenburg with two supervisors: one from each university.
  - Students will defend the Master thesis at Gothenburg and at LUISS in one of the official graduation session available.
- The academic activities recognized by the partner university will be transferred according to grade conversion tables set up individually by each partner and agreed upon by both LUISS and Gothenburg and hereby reported

LUISS	GOTHENBURG
