## Thesis and Graduation

- Students will complete their theses during their mobility period with two supervisors: one from each university. Both supervisors have to approve the proposal, which must meet the standards of both institutions. The student will consult in principle the first supervisor, if necessary also the second. Both supervisors will have regular mutual consultation on the content and progress of the thesis, at their discretion and judgement.
- Students will defend their theses in Tilburg at the end of the second year and in Rome in July (if possible<sup>1</sup>) or in October / November.

## Grade Conversion

The academic activities recognized by the partner university will be transferred according to grade conversion tables set up individually by each partner and agreed upon by both LUISS and Tilburg and hereby reported.
